SNA CELEBRATES A SUCCESSFUL 2016

Southside Neighborhood Association completed a productive year celebrating and enhancing the historic and architectural beauty of our community. Among SNA's accomplishments this year:

- The second annual **Build A Better Block Project** in June was another rousing success! SNA "adopted" a block on Second Street, with help from partners Habitat for Humanity, Community Progress and Arbor Housing and Development. 60+ volunteers spent a full day refreshing the block, neighbors helping neighbors. Thanks to donors and sponsors including: Corning Wegmans, Corning Catering, and Casella Waste.
- **Corning Architectural Preservation (CAP) Awards** were presented in recognition of significant preservation efforts. Congratulations to 2016 recipients for their restoration efforts: *Jennifer Zitkov for 161 Chemung Street; Dustin and Anissa Boutwell for 44 East Second Street; Greg and Jamie Santilli for 236 Wall Street; Corning Historic Preservation LLC for City Club Apartments; Edger Enterprises for Hawkes Place Apartments.* CAPS OFF Awards were presented to: *Linda Jolly for 96 East Fourth Street; Academy Place Garden Club; Don Houghtalen and Bill Lutz for Academy Place Clock restoration.*
- Neighbors enjoyed Peaches and Cream ice cream at **SNA's Annual Ice Cream Social** in Canfield Park.
- As part of a City of Corning grant, SNA supported efforts of the Crystal City Parks Foundation to restore **Canfield Park**.

We welcome your suggestions and ideas for future projects.

SOUTHSIDE TREE PROGRAM

In the past two years, SNA has planted 16 trees in the southside neighborhood, creating a lasting enhancement to be celebrated for years to come.

For 2017, we hope to expand our tree program to offer residents the opportunity to purchase a tree for their property (between sidewalk

and curb). SNA will coordinate all city and utilities approvals, and will arrange for professional planting. You will be responsible for watering and ongoing care. We're still confirming pricing, but expect the price per tree to be between \$100-\$130.

Please email susansberry@gmail.com if you think you might be interested.

SNA planted eight trees on Second and Cedar Streets.

2016 MEMBER GATHERINGS

SNA hosted three gatherings for members in 2016, featuring some of our neighborhood's architectural gems:

- In May, we were hosted by Therese Arliguie and Xavier LaFosse in their beautiful Third Street Victorian.
- In November, our Annual Meeting was held at the showroom of Bright Ideas by Martinec. The evening featured a discussion about aging in place.
- Our annual holiday social in December was held at the festive home of Coral and John Reed. All who attended enjoyed touring this lovingly restored Victorian home, beautifully decorated for the holidays.

CARRIAGE HOUSE PROJECT

We are researching carriage houses in the historic district. If you have one or know of one, please email Peetie Dimitroff at nursenice222@aol.com with carriage house address and any historical information you can provide.
